15TH ANNUAL CRESCENT HILL GARDEN TOUR SATURDAY JUNE 6, 9AM TO 5PM

The Crescent Hill Garden Club seeks out interesting and creative gardens once a year and presents them in a garden tour -- to raise money for the club's worthwhile activities, but also to inspire kindred spirits of the trowel.

This year's tour is from 9 a.m. to 5 p.m., June 6 — **one day only** in a departure from past two-day tours.

The club's goal is to pick grounds that are as eclectic as Crescent Hill, to reflect the diversity of a great neighborhood. This year we have 13 gardens, 11 of them new to the tour, and two perennial favorites. Four are gardens cultivated by career

artists, each of whom uses a different medium in professional work.

The differences are manifest in garden design, ornament and plant selection.

Although many Crescent Hillians live in homes from the last century -- or even the one before that -- our gardens and the lives we live in them are of this century. Patrons of this year's tour will see several gardens that demonstrate the growing interest in greening the neighborhood. They are sustainable gardens that combine vegetables and fruit in combination with ornamentals. We even have a bee keeper! Also not to be missed is the much talked
